

# GOOD MORNING

JOSEMARÍA HÉCTOR

TEACHER:  
VLADIMIR SOLANO

# **TODAY, I AM GOING TO TALK ABOUT MACHU PICCHU**

**First I would like to explain what Machu Picchu is, it is one of the seven wonders of the world.**

**It was discovered by Agustín Lizárraga in 1902.**

**Machu Picchu meaning: old mountain**

**Machu Picchu was chosen one of the seven wonders of the world since July 7, 2007.**

# **Next I want to mention some important information about Machu Picchu:**

**-Machu Picchu It was built in the year 1400 approximately and took about fifty years to build until it took its current appearance.**

**-Machu Picchu It is considered a masterpiece of architecture and engineering.**

**4,000 tourists go to Machu Picchu a day would be equivalent to a million and a half.**

**Finally, I will conclude by  
saying a curious data :**

**Did you know? the road to  
Machu Picchu is 42  
kilometers long and that  
the city is resistant to  
earthquakes.**

**Thank you for listening my  
presentation**
