- 1. Come to class with punctuality, prepared with all materials (including books, pens, notebooks, homework completed if applicable)
 - 2. ALL the class should be in English.
 - 3. Listen carefully to the class it is very important and do not talk over your classmates or teacher. By paying attention, you will understand the class

- and you will realize that with determination and dedication you will reach the goals set for you.
- 4. Make a glossary of words learnt in class with their meanings. It is important to always be building new vocabulary.
- 5. Use the notebook for all class activities. Keep the notebook neat and complete with all activities that are done in class. It is the students' responsibility to keep their notebooks up to date (particularly if classes are missed).
- 6. Students who do not meet the fundamental objectives will work individually assigned goals; students who achieve the fundamental objectives will work towards individual goals.
- 7. In the work of the individual objectives the effort that students put in to overcome their academic deficiencies or to learn more about the subject will be taken into account.
- 8. Respect the opinions of your classmates, your teacher and collaborate with the development of the class.
- 9. The non-fulfillment of tasks will generate the note 01, which will be added to the acquired note after the work has been completed. The recorded note will be an average of the two. This must be done within agreed timeframe with the teacher.
- 10. You will be assessed based on class-room performance & assignments.
